

Step into the outdoor classroom with Artist Boat!

“As a teacher I had never been exposed to being with the kids in that type of environment. I felt like I was learning as well, and having the kids there was an added bonus.”

-Melissa Perez, Bondy Intermediate

- Earn **16 CPE hours*** with our **FREE** professional development. In two days you will be well on your way to creating unforgettable environmental learning experiences for your students!

* *Develop a lesson with math and science TEKS alignment and earn an extra 8 CPE hours!*

- Artist Boat’s award-winning educators come to your classroom for an **Eco-Art Workshop** and take you and your students out into a wetland environment for an **Eco-Art Adventure** via kayak or vessel!

- Each participating teacher will receive **hands-on training** and a copy of Artist Boat’s Coastal Waters Curriculum, with 24 professionally developed, creative lessons **aligned with TEKS!**

Spring Coastal Waters Institute training days are April 3 & April 24.
