### **Trash to Treasure: Art Contest Pays Cash for Trash**

It has often been said that one person's trash is another person's treasure. Never has that been more true than now – Houston Earth Day would like to announce its first ever “Trash to Treasure” recycled art contest. The purpose of this contest is to encourage the creative re-use of recyclable materials and to create one-of-a-kind artwork to be displayed at this year's Houston Earth Day Festival. Anyone can enter, and \$1200 in prizes will be awarded to the best entries in each age group!

For a complete list of rules and details of the art contest, visit the Houston Earth Day website at [www.HoustonEarthDay.org](http://www.HoustonEarthDay.org) or call 713.524.4232. All entries will be displayed the day of the event and the winners will be chosen by a panel of judges and announced at 2pm.

Houston Earth Day will be held at Rice University on April 19<sup>th</sup> from 10am-6pm. Through the generosity of our sponsor, Waste Management, the event is free for the entire family.
